

MITHUN HOSSAIN

Software Engineering Student | Aspiring Software Engineer

Ashulia, Dhaka, Bangladesh | 01805713421 | mhmithun212@gmail.com

PROFESSIONAL SUMMARY

Motivated Software Engineering student at Daffodil International University with a growing foundation in web development, object-oriented programming, and database concepts. Interested in building clean, responsive, and practical software solutions. Eager to strengthen technical skills through real-world projects, collaboration, and continuous learning.

TECHNICAL SKILLS

Web Development: HTML5, CSS3, JavaScript, responsive design

Programming: Java, C, object-oriented programming fundamentals

Database: SQL, relational database concepts, basic database design

Tools & Workflow: Visual Studio Code, Git/GitHub (learning and project use)

ACADEMIC PROJECTS

Personal Portfolio Website | *HTML, CSS, JavaScript*

Designed a responsive personal portfolio website with a modern glass-style interface, project cards, skills section, responsive navigation, and contact links.

Java Object-Oriented Programming Practice | *Java, OOP*

Practiced classes, objects, encapsulation, inheritance, method overloading/overriding, and collection handling through academic programming exercises.

Database Practice Project | *SQL, Database*

Worked with relational tables, relationships, queries, and foundational database concepts as part of academic learning.

EDUCATION

Daffodil International University — Department of Software Engineering

Undergraduate Student | Bangladesh

Relevant areas: Programming Fundamentals, Object-Oriented Programming, Database Management Systems, Algorithms, and Software Project Management.

CAREER OBJECTIVE

To develop strong practical software engineering skills, contribute to meaningful projects, and grow into a professional software engineer through consistent learning, teamwork, and hands-on development.

ADDITIONAL INFORMATION

- Interested in frontend and full-stack development.
- Currently strengthening programming, database, and software development fundamentals.
- Open to internships, student collaborations, and entry-level learning opportunities.
